

**TOMSK STATE PEDAGOGICAL UNIVERSITY
CENTRE FOR THEORETICAL PHYSICS**

**International Conference "Quantum Field Theory and Gravity (QFTG'18)"
(Tomsk, July 30-August 5, 2018)**

2nd announcement

Organizing Committee:

I.L. Buchbinder (Chairman)
P.M. Lavrov (Vice Charman)
V.Y. Epp (Scientific Secretary)
A.N. Makarenko
V.V. Obukhov
K.E. Osetrin.

Programme Committee

I.L. Buchbinder (Chairman)
P.M. Lavrov (Vice Charman)
A.V. Galajinsky,
A.N. Makarenko,
S.D. Odintsov

International Advisory Board:

A. Aminova (Kazan Federal University, Russia)
A. Barvinsky (Lebedev Physical Institute, Moscow, Russia)
F. Bastianelli (University of Bologna and INFN, Italy)
E. Bergshoeff (University of Groningen, Netherlands)
S. Capozziello (University of Napoli and INFN, Italy)
E. Elizalde (Catalonia Institute of Cosmic Research, Barcelona, Spain)
D. Fursaev (Dubna International University, Russia)
D. Galtsov (Moscow State University, Russia)
S.J. Gates (Brown University, Providence, USA)
M. Henneaux (Free University of Brussels, Belgium)
E. Ivanov (Joint Institute for Nuclear Research, Dubna, Russia)
D. Kazakov (Joint Institute for Nuclear Research, Dubna, Russia)
S. Kuzenko (University of Western Australia, Crawley, Australia)
O. Lechtenfeld (University of Hannover, Germany)
A. Lukas (University of Oxford, UK)
J. Lukierski (University of Wroclaw, Poland)
L. Mezincescu (University of Miami, USA)
V. Mukhanov (L-M University of Munich, Germany)
S. Nojiri (Nagoya University, Japan)
B. Ovrut (University of Pennsylvania, Philadelphia, USA)
V. Rubakov (Institute of Nuclear Research, Moscow, Russia)
A. Sagnotti (Scuola Normale Superiore and INFN, Pisa, Italy)
M. Sasaki (Yukawa Institute for Theoretical Physics, Kyoto, Japan)
D. Sorokin (University of Padua and INFN, Italy)
A. Starobinsky (Landau Institute of Theoretical Physics, Chernogolovka, Russia)
K. Stelle (Imperial College, London, UK)
S. Sushkov (Kazan Federal University, Russia)
A. Tseytlin (Imperial College, London, UK)
M. Vasiliev (Lebedev Physical Institute, Moscow, Russia)
R. Woodard (University of Florida, USA)
Yu. Zinoviev (Institute of High Energy Physics, Protvino, Russia)
G. Zoupanos (National Technical University, Athens, Greece)

The main topics: Supersymmetric Field Theory, String/Brane Theory, Higher Spin Field Theory, Classical and Quantum Gravity, Cosmology, Field Theory and Mathematical Physics.

Arrival day is July 29, departure day is August 5, and the conference days are July 30-August 4. Participants arriving at Tomsk airport will be met and transferred to their hotels. Transfer for participants arriving at the Novosibirsk airport Tolmachevo can be organized upon request.

The conference will be held in the building of Scientific Library of Tomsk State Pedagogical University (address: Tomsk, Gertzen street, 66). The conference Program is available on the conference website.

The conference is financially supported by the Ministry of Education and Science of Russian Federation, Russian Foundation for Basic Research, Tomsk State Pedagogical University, the Editorial Board of the journal “Symmetry”, and by the MDPI publishing organizations.

The participants will be accommodated in the Tomsk hotels and hostels. The corresponding rooms are already reserved. The routes from the hotels and hostels to the Scientific Library of Tomsk State Pedagogical University are available on the conference site in the sections “Accommodation” and “Travel information”.
